The V&A Waterfront is one of South Africa’s most visited destinations, with 24 million visits annually. Situated in the oldest working harbour in the southern hemisphere, the property boasts the iconic Table Mountain as its backdrop and extensive views of the ocean, city bowl and mountain peaks.

The V&A Waterfront covers 123 hectares or 180 rugby fields, comprising residential and commercial property, hotels, retail, dining, leisure and entertainment facilities for local and international visitors.

Along with heritage sites and tourism landmarks, it also includes the recently opened Zeitz Museum of Contemporary Art Africa (MOCAA) – hosting the world’s largest collection of contemporary art from Africa and its diaspora.

Additionally, the V&A has recently revamped a world-class cruise terminal in the port of Cape Town - a five minute walk from Zeitz MOCAA.

The V&A Waterfront plays a vital role in the South African economy, contributing R335 billion (USD25 billion) over the past 14 years.

Every day, 21 000 people come to work at the V&A Waterfront, 1 500 people live here and up to 180 000 visitors come every day in peak season.
The V&A Waterfront offers leisure and business travellers an impressive selection of accommodation, ranging from budget-friendly to the finest five-star luxury.
