Additional Information:

A pro forma invoice will be sent in advance for the shoot and only once EFT payment is made and the proof of payment (POP) sent through, the permit will follow so shoot can take place. Please note that no shoot will be allowed on the Cape Wheel without a permit. No shoots will be allowed on weekends, Public Holidays, School Holidays & the Festive.

Cancellation Fees - payment is made in advance, so cancellation thereafter means forfeiting the fee - or a credit towards a future.

Electrical - no electrical cabling for any added lights would be allowed, as this may interfere with Cape Wheels power and for safety reasons. There are external facilities for this.

Props - no props to be built on the structure without prior notification and consent given by the asset owner.

Security & Roads - no external security is allowed in the V&A Waterfront. A quote for security is available on request from V&A Waterfront, depending on the magnitude of the shoot. No road closures allowed.

Parking - no parking for any vehicle is allowed on site where the shoot takes place - you can park either in the Portwood garage or arrange a base camp for large vehicles.

Catering - an area can be arranged with the Cape Wheel management on site for your catering they can also arrange catering for your shoot.

Cleaning Staff - cleaning must be done by the production company on the site, but should you require assistance, then a quote can be requested from the V&A Waterfront.

Removal of signage, chairs, tables, etc. - please note that nothing can be removed off the property for the shoot. No cameras or Go Pros can be attached to the Cape Wheel structure.

Advertising on Cape Wheel - must be covered after the shoot and not disclosed in the commercial at all.

Film Shoot signage & drones - please note that signage is not allowed to be put up on the poles in the V&A Waterfront & drones are not allowed at all.
